

PROJECT 4

Wrangle and Analyze Data

WeRateDogs is a Twitter account that rates people's dogs with a humorous comments about the dog. I used its data to make some analyses like below

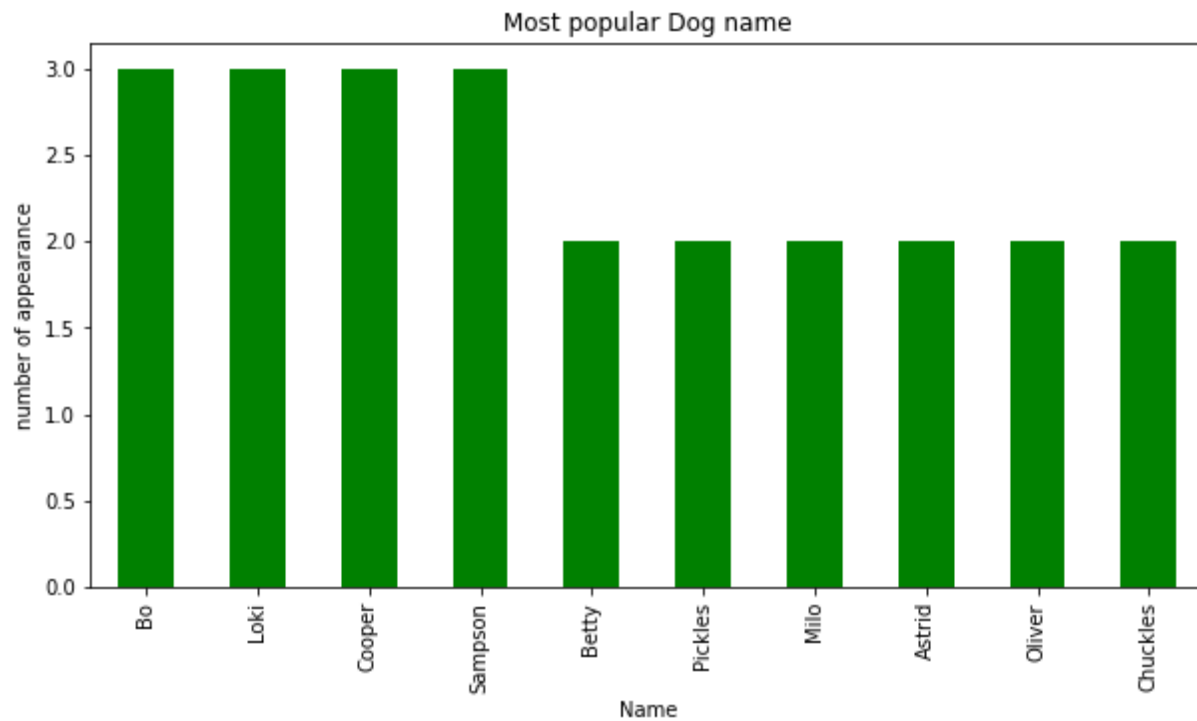

Analysis

1. Most popular dog breed

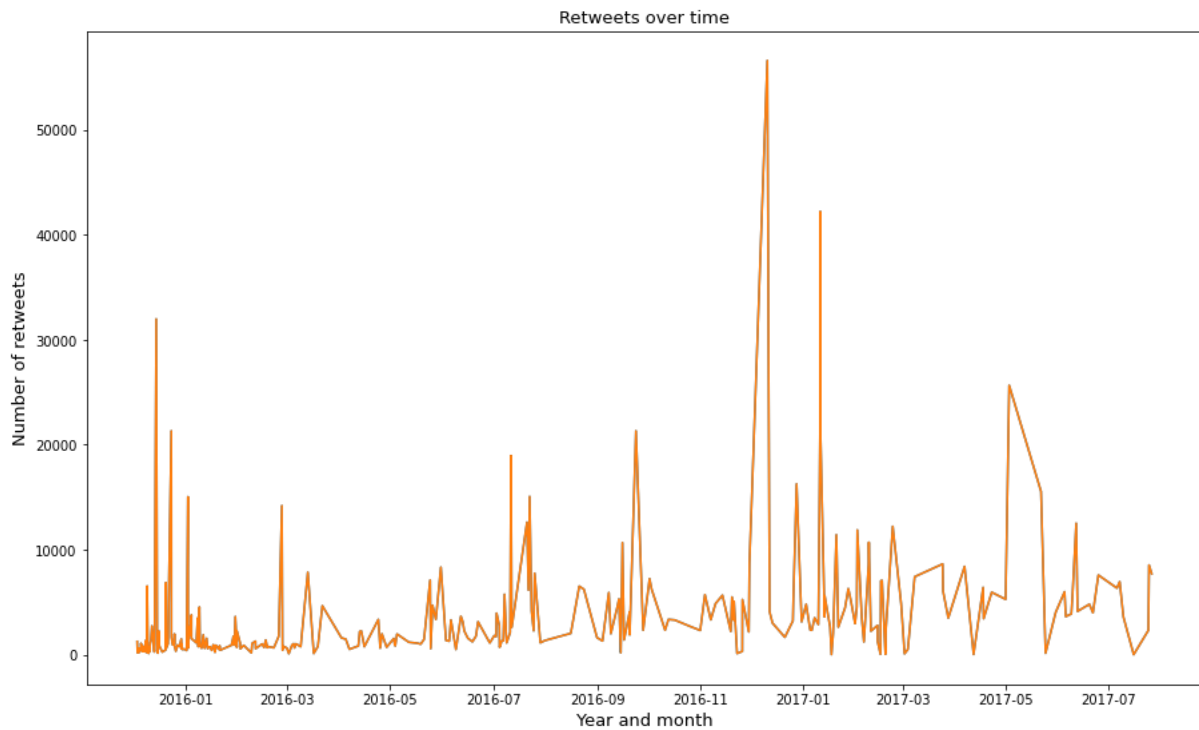

According to the visualization, *Pupper* is the most dog Breed on the WeRatesDogs with over 200

2. Top 10 popular dog names

‘BO’, ‘Loki’ and ‘Cooper’ are the most popular dog name with 3. ‘Betty’, ‘Pickles’, ‘Milo’, ‘Astrid’, ‘Oliver’ and ‘Chuckles’ makes the last with 2

3. Retweets over time

According to the visualization above, WeRateDogs had a successful time when the Retweets in Dec-2016 with the Retweets of over 5000 which is the highest
